PROFILE SUMMARY

An ingenious engineer hell-bent in exploring the world of web development and content creation. I fondly anticipate to work as an intern in the related domain.

CREATIVE PORTFOLIO

- A prolific writer, feeling the essence of beauty in penning down pieces of my experiences - Blog

- Author and Compiler of an anthology 'Why would you!', with 17 other young authors alongside sketching one story.(yet to be published)

- Content creator on YouTube, where we co-ordinate budding artists, small business owners and home entrepreneurs.

- A web development enthusiast, currently working on small projects.

INTERNSHIP

All Cotton and Linen
Aug 2021   **Coimbatore,Tamil Nadu**

- Role: Business Analyst and Web Developer
- Designed layouts for the firm's new project, aiding small businesses in their journey.
- Gained knowledge and experience in Business Analytics, SEO, Web development, etc.

POSITIONS AND RESPONSIBILITIES

- **Academic support volunteer in** Make a difference organization.
- **Session co-ordinator and Podcast Handler** of Literary and Debating society, GCT.
- **Silambam enthusiast** in Tamil Mandram, GCT.
- **Dancer** at the official dance club, The Eliminators, GCT.
